

## Dear World Leader, President, Prime Minister:

We, the world's youth, teachers, parents and global citizens appeal to our governments to keep their promise, made at the United Nations in 2000, to ensure all out-of-school children gain their right to education before the end of 2015.

We are standing up to bring an end to the barriers preventing girls and boys from going to school, including forced work and early marriage, conflict and attacks on schools, exploitation and discrimination. All children deserve the opportunity to learn and achieve their potential.

### **We are #UpForSchool.**

#### **Who is #UpForSchool?**

#UpForSchool is led by A World at School – a unique global coalition working together to get every child into school and learning. It brings together young people, NGOs, civil society, teachers, faith-based organisations and more than 100 of the world's leading businesses demanding action on education.
